

## How to login to your GotSoccer Team account

**Step 1: Go to [www.GotSoccer.com](http://www.GotSoccer.com) and click on "Login" on the top right. Then click on "Team and Team Officials" where you can enter the team username/password. IF you do not have your login details, please click the "Account Lookup" link, and enter your e-mail address.**

**If you coach/manage multiple teams each one will have its own unique username/password.**

**Please note: If the system does not recognize your e-mail, please contact your club administrator as they can add your contact information to the team.**

**If you find that you have more than one account please contact [William@GotSoccer.com](mailto:William@GotSoccer.com) with either both team ID numbers, or both team usernames and he can merge those for you.**

The screenshot shows the GotSoccer website's login interface. At the top right, the "LOGIN" link is highlighted with a red box. Below the navigation bar, there are two tabs: "Member Account" (selected) and "Universal Account". The "Member Account Login" section is highlighted with a red box and contains three columns: "Team Account", "Individual Coach", and "Individual Manager". Each column has "Username" and "Password" input fields and a "Login" button. Below these columns are three "Account Lookup" links: "Team Account Lookup", "Coach Account Lookup", and "Manager Account Lookup". A red arrow points from the "Team Account Lookup" link to the text: "If you do not know your login details click on this link and enter your e-mail address. If the system does not recognize your e-mail please contact your club admin so they can add you to the team." At the bottom of the page, there is a "Sponsored Ad" for Starwood Preferred Guest (spg) and a footer with "Contact Us" and "Help & Support" information.
